BOWLERS TO GET TROPHIES

Record Announces List Of Awards For Tourney Winners

Daly City bowlers entered the third week of competition, Monday evening, when Mission Bell Chateau met Central Creamery Girls at the local alleys. All ten Daly City Record tournament teams are straining hard for trophies and honors in match play.

Today the Daly City Record Tournament committee ordered cups, trophies, medals and souvenirs for winners and team members.

To the winning team will be awarded a loving cup bearing the engraving: "Team Champions—Daly City Record Bowling Tournament—1941." Individual medals will be awarded each member of the winning team.

Three trophies will be awarded. One to the man bowling high series score, one to the lady bowling high series score, and one to the individual bowling high game score. Medals will be awarded to runners-up in each of these divisions.

Souvenir kingpins will be awarded to every team member entered in the tournament.

Presentation of awards will be made from the stage of the Daly City theatre on the Tuesday evening following the close of the tournament.

Watch the sporting page of the Daly City Record next week for the complete tabulation of individual and team bowling scores for the first three weeks of tournament play.

Students To Enter Business Contest

Nimble fingers will soon fly across the keyboards as Jefferson Union high school's commercial students participate in the annual State and National Commercial contests. Miss Marjorie Robinson announced today that the National contests will be held at the school during the week of March 31, and State contests will take place the last week in April.

There will be entrants in all four divisions—typing, novice, amateur and unlimited; bookkeeping, general business principles and shorthand. Fifty-four students are expected to enter the contest.

Miss Edna Smith, typing instructor, will enter the following students in the novice group: Anna Crossland, Martha Molloy, Gloria Hopper, Helen Oxley, Nor-

Firemen Plan Old Timers' Dance

A sure way to have a good time is to get into your old clothes and relax and be yourself.

And that's exactly what you'll be able to do at the Old Timers' Dance, the seventh annual ball given by the Daly City Fire department. The date is Saturday evening, May 10, and the place is Colombo hall, Colma. Furnishing the music will be Johnny Dell's union orchestra.

When you come, wear your oldest clothes and bring your best girl and a swell time is guaranteed by the committee in charge.

Funds raised by the dance are to be used to support the Widows and Orphans association of the local fire department. This is the only source of income to carry insurance for the members.

Tickets are inexpensive and may be procured from local firemen. As an additional attraction, door prizes are offered.

Name Three For Boys' State

For the cause of better citizenship and a more democratic future America, three boys are being sent from the Jefferson Union high school to "Boys' State" this year.

They are Robert Grimes, 446 Orienta, Bayshore, who is sponsored by the Brisbane Post No. 473, American Legion; Harvey Melicker, 447 Irvington, Daly City, who is sponsored by the Jefferson Union high school P. T. A.; and Bud Prziborowski, 298 Vista Grande, Daly City, who is sponsored by Daly City Post No. 410, American Legion. All three boys are juniors in the local high school. Prziborowski is the first Legionnaire's son to attend "Boys' State." He is in Squadron 410 of Sons of the Legion.

"Boys' State," sponsored by the American Legion, is made up of a selected group of boys from different sections of the state engaging in the forms of state government so they may learn how to be better citizens. It will func-

Legion Registers For Home Defense

For the defense of America! For the defense of Democracy! With these ringing ideals in mind the Legionnaires have begun a nationwide registration of World War veterans, a mobilization for Voluntary Emergency Service.

Its purpose is to provide the local, state and national leadership of the American Legion and its auxiliary with a complete inventory of the assets of the organizations in manpower, experience and special training that could be made available to the government

THIRTY-TWO ANSWER FOURTH CALL

The Winners!

Three fellows, instead of the usual one, will have the opportunity to attend Boys' State at Sacramento this year. Arthur Quirmbach, high school instructor and Boys' State chairman for Daly City Post No. 410, American Legion, looks on while Herb Poddig, last year's representative, shakes hands with Robert Grimes, Bayshore, who will be sponsored by Brisbane Post No. 473.

The two others who are going are Bud Prziborowski, sponsored by Daly City Post No. 410, and Harvey Melicker, sponsored by Jefferson Union High School P. T. A.

It's contest season in the Daly City schools. Another list of winners is pictured this week. These students won in the "Americanism" essay contest sponsored by Daly City Unit No. 410, American Legion auxiliary. In the grammar schools there were two divisions: seventh and eighth grades, and fourth, fifth and sixth grades. At the high school, there was only one division.

First row, left to right, Alfred Bornstein, second in fourth, fifth, sixth division; Alice D'Isep, second in the seventh and eighth division; Barbara Bohn, first in fourth, fifth, sixth division; Charles Hicklin, first in seventh and eighth division.

Second row, left to right, Roy DeVincenzi, second in the high school division; Barbara Wilmoth, first at the high school.

Third row, left to right, Miss Mae Varni, social science instructor, in charge of the grammar school participation; Mrs. Vivian Pahlka, president of Daly City Unit No. 410, American Legion auxiliary; Mrs. Kathleen Matzek, auxiliary "Americanism" chairman; Mrs. Dorothy Pendergast, high school instructor in charge of the essays at Jefferson Union.

All winners of first places received a pen and pencil set; winners of second places, pencils.

Last To Leave Before Reduction

Thirty-two selectees from this district answering the fourth draft call, are going off on the first leg of their journey to army life this morning. They are the last to go before the recent reduction in the demand for draftees becomes effective. Since the Federal government has reduced the number to be called during the first year, Daly City's total is now 145 for the period ending July 1, according to Mrs. Isabelle Flynn, chief clerk of the local board. Formerly the total was 170.

This means that 55 young men will be taken out of this area between now and July 1. Because of the more than one hundred draftees now awaiting their physical examinations no more questionnaires will be sent out until about June 1.

Each of the doctors examining the boys are seeing about one a day. A few weeks ago they were seeing two a day.

A dinner at the Colma Cafe Monday evening was held in honor of the seven draftees from Colma. Board members and their wives were present, as were the chief and assistant clerks with their husbands.

Thirty-five well-wishers honored five Colma draftees, Saturday night, at Ric's Place in Colma with a dinner and party.

The boys honored Joseph Laveroni, Albert Laveroni, Jackie Rich, Ernie Merlo, and Frank Mozzini.

The party was given by the proprietors of Ric's Place as a gesture of good-will toward the boys. Fred Collins, deputy health officer and draft board member, acted as master of ceremonies.

Paul Green Tells About Army Life

The "inside" story of life at Fort Ord as seen through the eyes of a Daly City young man is interestingly told in a letter received this week by Albert H. Boynton, publisher of The Record. Paul Green, son of Mr. and Mrs. Green, 320 Woodrow street, has now served his first six weeks with the army. Of particular interest to local readers are Green's comments about the famous "Laddie" and his news of other Daly City draftees.

Daly City Lion's Club Holds Meet

Occupied principally with plans for Presentation night, the Daly City Lion's club met at Colonial cafe, last Wednesday evening.

Present were Jack McDonald, International Councilor, and Mrs. McDonald; Jack Frenzler, district governor, and Mrs. Frenzler; Paul Wolter jr., president of West Portal Lions club, and Mrs. Wolter; Elton McGraw, Dr. McGovern, Dr. Lantheaume, John Ferrari, Mr. and Mrs. A. Vireno, Mr. and Mrs. A. Sordelli, Joe Firpo, Mr. and Mrs. A. M. Harrison, J. J. Fahey, R. L. Crane jr., William J. Sweeney, Dr. and Mrs. Budaeff, Al Boynton, Mr. and Mrs. Dale Hovey, Mr. and Mrs. Peter Ceimoli and Joe Warren.

Next meeting of the club will be held, March 26; the place has as not yet been decided.

If You're A "Double Features" Fan Be Sure To See These Plays, March 28

Jefferson Union high school drama classes are not going to let the movies get ahead of them. They plan to put on a double feature Friday, March 28. And it is promised that both features will be "A" productions.

A mystery thriller called "Wit's End" will comprise one half of the program, with "She Was Only a Farmer's Daughter" completing the evening.

"Wit's End" is guaranteed to chill, thrill, and mystify even the Ellery Queens and Dick Traceys in the audience, say members of the high school drama classes.

"She Was Only a Farmer's Daughter" is a comedy melodrama about (you guessed it) a farmer's daughter. She makes the mistake of leaving the farm to follow the lure of the city.

Directed by Sigfred Hansen, the casts of the plays are as follows: in "Wit's End"—Roy DeVincenzi, Clyde McAndrews, Bill Clement, Dorothy Kampa, Barbara Davis, Melba Frei, Amy Vincent, and Eldred Hahn. In "She Was Only a Farmer's Daughter" the cast is made up of Amy Vincent, Melba Frei, Bessie Pastrikas, Lillian Lekoff, Barbara Davis, Clyde McAndrews, Roy De Vincenzi, and Bill Clement.

A small admission charge will be made. No grammar school students will be admitted without their parents.

Kite-Flying Event Open To Local Youngsters

March may come in like the proverbial lion but it never scares off the annual crop of kite-flying enthusiasts. Every field or vacant lot of decent size sprouts youngsters masterfully tugging at the strings of high-flying kites.

For just such children has the third annual county-wide Kite Contest been planned. Supervised by the WPA Recreation department, it will be held Saturday, March 22, at 9 a. m. at the San Mateo high school baseball field.

The contest is open to boys and girls, 8 to 11 years old and 12 to 16. Prizes will be awarded for the most original and novel kite,

Drivers, Watch Out For Little Girls

Those little girls standing in the middle of the street near the Daly City schools—don't expect them to get out of the way. They won't.

They are made of metal and are there to warn motorists to slow down. A trial is being made of this device in an effort to make the streets near the schools safer for the children.

Several have been placed at intersections near the Woodrow elementary and Pershing grammar schools. Their reception has

Play Two Games At Jeff Diamond

In a game marked by frequent double plays Les Vogel's nine outhit the S. F. Greys, Sunday, to take a ten inning decision 5-2. With the score knotted at 2 all, when the regulation playing time elapsed, Les Vogel punched 3 runs across the plate in the tenth while the S. F. Greys went hitless. The winning team collected nine bingles and the losers were held to eight.

The Ocean Avenue Merchants nosed out the S. P. Club 3-2 with a ninth inning rally that netted them the winning run. The Merchants smacked out seven hits and the S. P. Club eight.

The games were played at the Jefferson Union high school diamond, supervised by the local WPA recreation department.

Start Ice Polo At Winterland

Ice Polo, San Francisco's most popular indoor winter sport, is again under way at Winterland, the big ice rink at Post and Steiner streets. Fast and hilarious, the game is being played each Monday evening during public skating sessions.

Two short periods constitute the time of Ice Polo. The play has much of the action and the thrill of ice hockey but the "puck" is a soft rubber ball, which adds to the fun and does away with danger to the players. The latter are recruitted among skating patrons of Winterland.

Many other special activities are now enlivening the thrice-daily public skating sessions at Winterland, according to George J. Campbell, manager of the big new ice rink.

Universal Press Ties For Third Place

The Universal Press Strike and Spare boys climbed into a tie for third place in the Merchants League, 9:30 division, when they bowled themselves to a triple triumph over California General Linen Supply last Tuesday.

High pin man for the locals was Ratto, with 518. The wins put Universal Press even with California General Linen and Gallen Kamps.

Milo's Butchers put up a strong battle, but bowed to the league-leading Fisher's Boys 2-1. High man for Milo's was Thur, with 507. Curry's Barbers, a close second in the standings, kept pace with the leader by squeezing by Model Appliance and Furniture company 2-1.

Krehl scattered the most pins for Curry's—477. The league standings after last Tuesday's games were:

MERCHANTS LEAGUE

There will be prizes for the most beautiful kite, the largest kite, the smallest kite; and a prize in the distance and time contest, in which the kite is to be let out 150 feet with the string wound on a single stick, figure eight fashion. The latter event is open to all classes.

Entry blanks may be procured at the Daly City WPA Recreation center, 101 Park View avenue.

Antarctic Lemonade

Scientists have discovered a mixture of chalk and lemonade in mineral form at a depth of 13,000 feet in the Weddell sea of Antarctica. The scientists cannot explain how the citric acid of lemonade, heretofore found only in plants, came to be at the bottom of the Antarctic.

Walton League Holds Convention

Wildlife conservation will be discussed at the Izaak Walton league convention to be held in Washington, March 27 to 29. Above are pictured a few of the varied conservation practices carried out by the league. President Tappan Gregory (inset) will preside at the convention. The organization has chapters in 35 states.

Classes

TRYOUTS

Old Jeff fairly rocked, as nine students competed in the assistant yell-leader tryout, Friday. Each one of the students gave a yell, and then a committee was chosen to pick the three best.

Forming the judging committee were: faculty members, Sigfred Hansen, Effie Andersen, and Albert Biggs; students, Tillie Castro, George Wallace, Mary Heywood and Howard Vierra.

Those who tried out were: Pamela Yorkman, Jennie Giusti, Norma Simonetti, Verna Flatt, Mary Sue Denton, Ester Hanel, Jack Hickey, Harlan Ferrando and David Johnson.

Tillie, yell-leader, announced the winners at the end of the assembly and presented them with their blocks. The assistants are Jennie Giusti, Pamela Yorkman, and Jack Hickey.

LIBRARY

Bookworms, here is your chance. Miss Ethel Fillmore, librarian, announced that there are a number of new books on order.

Just a few of the books that will line the library shelves in the near future are: James Hilton's "Random Harvest," Willa Cather's "Sapphira and the Slave Girl," and Felix Riesenberg's "Yankee Skipper to the Rescue."

TUMBLING

Last Monday during an assembly period, a school-wide tumbling contest was held. Winner of the contest got his name engraved on a cup, which will have a place of honor among the trophies in the gym.

Jim Parker and Manuel (Manny) Huerta fought to the bitter end for first place. However, at the close of the assembly Huerta ended up on top.

ASSEMBLIES

Yesterday William Montgomery, foreign trade representative of the San Francisco Chamber of commerce, spoke to the students. Montgomery's topic was "Our Latin American Relations."

CSF

Main order of business on the C. S. F. calendar is the preparations for their next convention. As yet, a definite date hasn't been set.

Today after school the honor society will meet for their business and social sessions.

SENIORS

Seniors attention—here is a full calendar for you. Senior pictures will probably be taken, April 2, Senior fees are due by April 18, and Senior records, cards and invitations are already being worked on.

The senior "Jinx" is getting under way. This semester's jinx is a deep dark secret, but I can promise you it will be well worth your time to see.

Sports

Friday, Jeff lost a double header to Galileo on their own diamond. The final tally ended at 0-7 for the varsity, and 2-8 for the frosh-soph team.

Playing for the varsity were: third base, Valente; catcher, Huerta; center field, Christen; first base, McKinnon; second base, Arrighi; right field, Ruppert; short stop, Rainey; left field, Sharp; pitcher, Poddig. Playing as substitutes were Ragni and C. Razzari.

Acting as umpire was Dick Schultz.

FROSH-SOPH

Managing to score two hits and two runs, the Frosh-soph team lost by only six runs.

The team lined up as follows: short stop, Chreisten; pitcher, Freeman; third base, Drago; catcher, Tuvo; left field, Dave; second base, Aiello; center field, Eidbscher; first base, Pidgeon; right field, Botlini.

Substitutes included Cavagnaro, Wright, Fazzio, Fellows and Petersen.

OTHER GAMES

Last Wednesday, Jefferson's varsity baseball team beat Sacred Heart by ten runs. The final score was Jefferson seven hits and ten runs, and Sacred Heart four hits and no runs.

The boys have really been holding their own on the diamond. In last Tuesday's game, Jeff lost by two runs, made in an extra inning, against the Commerce Bulldogs.

Those boys playing were: Valente, Huerta, Christen, Poddig, Lekoff, J. Razzari, Ruppert, Rainey, Sharp, McKinnon, Arreigi, and Bertini.

GPAL

Last Wednesday Interclub basketball started. Playing the opening game were clubs one and four against clubs two and three. Winning by one point, clubs one and four are on their way to the championship.

Playing for clubs two and three were: RF Silvas, LF Wilmoth, CF Lekoff, RG Roberts, LG Robin, CG Preciado. Other members of the team were Falbo, Blandini and De Martini.

Composing clubs one and four were: RF Agresti, LF Carilo, CF Jones, RG Bleecher, LG O'Brien, CG Nordquist. Falbo and Inks also played.

Last Monday was the final play off for the winners of interperiod basketball. Champions of interperiod is the eighth period. They won over the sixth period 36 to 23.

Playing for the winning team were: RF Jones, LF Flatt, CF Putnam, RG Links, LG Bleecher, CG Robin.

Playing for the sixth period were: RF Siragusa, LF Free, CF Malone, RG Lowe, LG Forest, CG Hammer. Smith also played.

Campus Fashions

Girls attention! If you always have dreamed about someday owning an English wool suit, here's your chance. Believe me, the price is within your budget, yet it looks like a million dollars. It's just right for after-school dances and ultra swank for teas and socials.

Made with the new long style jacket, it is fashioned with notched lapels. The skirt is matched in cardigan with cute little stitched-in-pleats in front and back.

Get one of those decidedly feminine long sleeved blouses, and borrow a pair of dad's or brother's cuff links. When you lock the links in your cuffs it adds just a little something to your blouse, that will assure you of having that "smart" look.

By the way! These darling suits come in all those flattering pastels that fairly sing of springtime.

Top your curls with a be-feathered felt pork-pie in a matching or contrasting pastel.

To five-foot-three, (every bit of it packed full of life and spirit) add coal black hair, dark brown eyes, and an olive complexion, and you get this week's Campus Miss. In case, you are still a little hazy as to who we mean, it is none other than that popular Miss Gloria Pinochi.

Gloria was dressed in a true campus outfit composed of a bright red barrel sweater topping a crisp, white shirt. Her skirt was a darling navy blue model, with little buttons trimming the pockets.

Bette Davis and James Stewart are considered the best actress and actor by Gloria. Her pet peve is girls that chew gum; sweaters and typing were her pet likes. I believe that takes care of our Campus Miss's past, present and future fairly well, so without further ado we extend this week's Fashion Bouquet to Gloria.

Music CHORUS

Thursday evening the Jefferson Union high school chorus of 64 voices participated in a program for the Bayshore PTA. The chorus sang at the Bayshore grammar school under the leadership of Oscar Busch, musical instructor.

AMATEUR HOUR

Tomorrow in the assembly Dante Lembi's Indians of Rhythm will present another one of their amateur hours.

Lembi reported today that over thirty students had been signed up for tryouts. Out of these thirty the band will choose approximately fifteen to participate.

Winner of tomorrow's program will appear in the finals to be held within the next two or three weeks.

Crocker PTA Hears District Chairman

Next meeting of the Sew and Sew club will be tomorrow at noon at the home of Mrs. Beatrice Caratti, 600 Templeton avenue. Mrs. Hazel Cassasa will be the hostess. Members are asked to bring sandwiches.

Regular meeting of Crocker P. T. A. was held last Tuesday at Crocker school. Henry Hall, seventeenth district legislation chairman, was the speaker. His topic was "Developing Future Citizens Through Family Relationships." He said, in part, "Children should be ruled by love not force. They should be sent to school each school day, and to either church or Sunday School each Sunday. They should be taught to make decisions for themselves so that they will know how to choose wisely when they must rely upon themselves."

Mrs. Otha Kinsey, past president, was presented with a life membership by Junior Past President Mrs. Mildred Seiler. Mrs. Seiler gave a short resume of Mrs. Kinsey's year as president, and introduced two other past presidents, Mrs. Virginia Davidson and Mrs. Orvilla Pauw.

A nominating committee consisting of Mrs. Otha Kinsey, Mrs. Olga Bordson, Mrs. Vivian Pahlka, Mrs. Lillie Cavagnaro and Mrs. Emma D'Isep was elected. They will submit a list of the officers for next year at the April meeting.

Mrs. Pauw reported on the Founder's day meeting of seventeenth district. Mrs. Bordson and Mrs. Pauw were appointed delegates for the March meeting to be held at Sequoia high school at Redwood City, Friday.

Mrs. Mildred Seiler was hostess to a few members of the Sew and Sew club, last Thursday, following the Ceramics class.

DAUGHTERS OF ISRAEL TO HOLD WHIST TOMORROW

Mrs. Ann Lutzker will be chairlady of the Daughters of Israel whist party, tomorrow evening at 67 Los Banos avenue. The public is invited and many attractive awards have been secured for lucky card players.

Mrs. Lutzker has announced that refreshments will be served and that everyone is assured of a pleasant evening. Playing will begin promptly at 8:30 p. m., tomorrow evening.

Say, Mama, Don't Forget Our Date

Today is the time for my check-up. The Daly City Well Baby clinic will be open from 9 to 11 a. m.

No charge is made. Scientific advice and aid in infant care are available to each mother. A child specialist and a nurse are in charge.

Only well babies are admitted to the center, located at the corner of San Jose avenue and Flournoy street. Visiting hours are the first and third Wednesday mornings of each month.

And, by the way, mama, I hope you've been listening. THIS IS IMPORTANT.

Healthful Lenten Meals

By BETTY BARCLAY

The cook's problem is unusually difficult during the Lenten season. There is a craving for heavy, satisfying foods that she finds it hard to satisfy. Plain baked or fried fish is good, but tiresome if repeated too often.

How about a combination of macaroni and fish — carbohydrates and proteins in abundance? Vary your fish. Vary your carbohydrate foods also by serving egg noodles with fish, macaroni with fish and then spaghetti with steak. Your problems for Lent will then be over so far as the main dinner dish is concerned.

Macaroni is a nutritious wheat food. It and the different shaped spaghetti and egg noodles are often called "the energy trio." Any member of this trio blends naturally with vegetables, meat or fish to produce a well-balanced, healthful dish.

Here are three recipes showing how the foods mentioned above may be combined into three different yet equally delicious luncheon or dinner dishes:

Egg Noodle Lenten Dish

8 ounces egg noodles
1 cup diced carrots
1 cup diced turnips
1 cup peas
1 chopped pimiento
1 small onion minced
1 medium can tuna fish flaked
¼ teaspoon salt

Cook egg noodles in boiling, salted water until tender, then drain. Cook the vegetables and salt in enough water to cover, saving the vegetable liquid. Make a cream sauce of:

4 tablespoons butter
2 tablespoons flour
1 cup milk
1 cup vegetable liquid
1 teaspoon salt
¼ teaspoon pepper

In a casserole put a layer of egg noodles, then a layer of the mixed vegetables, and then a layer of the flaked tuna fish. Repeat until all ingredients have been used. Pour the sauce over the contents of the casserole. Cover the top with one cupful of buttered bread crumbs. Bake this dish thirty minutes at 400 degrees and serve it hot.

Spanish Macaroni Casserole
(A time-saver and appetite-appeaser)

½ lb. macaroni
¼ lb. cheese, grated or cut in small pieces
½ cup diced celery
2 medium onions (chopped fine)
1 can whole tomatoes
2 tbs. chopped green pepper
2 tbs. butter
2 cups white sauce
Salt and pepper to taste

Cook onions, green pepper and celery in the butter until tender. Cook macaroni in boiling salted water until tender and drain. Combine macaroni and cooked onion mixture, arrange in layers in baking dish with alternate layers of cheese and tomatoes. Season and pour white sauce over it. Cover and bake 30 minutes at 350 degrees.

This recipe provides a tasty, full-meal luncheon dish. For the more elaborate dinner, try serving it with your favorite fish — halibut, trout, or other fillets.

Butter-Cheese Spaghetti

To 1 quart of boiling water in top of a double boiler, add ½ lb. spaghetti. Cover and simmer until water has cooked out (10 to 12 minutes). Add ½ cup butter, ¼ lb. grated cheese and seasoning. Mix well. An excellent accompaniment for fish, fowl, meats or deviled eggs.

Since they are basically wheat foods, macaroni, spaghetti or egg noodles may be substituted for the one specifically mentioned in any of these recipes, — with equally pleasing results.

Bethel 68 Holds Annual Dinner Party

Chicken pie and mashed potatoes were set before a group of approximately eighty people, Wednesday evening, at Bethel 68's semi-annual dinner party.

In charge of the dinner for the local Jobs Daughters and their guests were: Margaret Barrick, chairman; Anne Cameron, Lillybell Fletcher, Doris De vol, Betty Schubert, Shirley Yates, and the mothers.

After dinner a short entertainment by South San Francisco's high school swing band, "The Corn Pickers," was presented. In charge of the program was Vera Vogelsang.

Friday a group of fifteen girls and their escorts enjoyed the evening swimming at the Fairmont plunge.

Next meeting held by the bethel will feature the exemplification and initiation of new candidates, March 21. The work will be put on for Francis Drake Lodge F. & A. M. in South San Francisco.

High School PTA To Hear Mrs. Ralston

Principal speaker at the regular meeting of the Jefferson Union High School P. T. A., this afternoon, at the high school Little Theatre, will be Mrs. Ruby Ralston, past president of seventeenth district, C. C. P. T. Her topic will be "Building for the Future Through Evaluation of The Past."

The session which convenes at 2 p. m., will see the election of the nominating committee. This group will announce the candidates for next year at the April meeting of the unit. Election will follow their report.

On the program this afternoon the high school brass sextet will present several numbers. The annual reports of the various committee chairmen will be made.

Pershing PTA Group To Attend Dist. Meet

Mrs. Virginia Davidson, president of General Pershing P. T. A., announced today that there will be transportation avaliable for three more ladies to attend the seventeenth district meeting at Redwood City, Friday. Anyone wishing to go down the Peninsula with the Pershing delegation may call Mrs. Davidson at RAndolph 4243.

The sewing group will meet tomorrow at General Pershing school at 1:30 p. m. Work is already under way for the May Bazaar and a good turnout of members is urged.

Today approximately seventeen members of the unit, who have donated their services to the school cafeteria during the past four months, will be honored at a surprise luncheon. Mrs. Davidson said the group will meet at 11 a. m. at the school.

Plans are under way for a joint installation and teachers' luncheon to be held at the school, April 29, at noon. Committees and full details will be announced later.

The General Pershing P. T. A. St. Patrick's whist, Friday evening, was very successful. The unit has expressed appreciation for the cooperation given their affair.

Mrs. Appleton Hostess To Sewing Group

Mrs. Ruth Appleton, 230 Lowell, was hostess, last Tuesday evening, to the sewing group of Vista Grande Camp No. 6035, Royal Neighbors of America. Card playing and lovely refreshments were enjoyed by the following ladies: Mesdames Cora Ray, Lottie Putman, Marie Rodrigues Estelle Peterson, Annalee Twesten, Mattie Smith, Anna Smith, Anna Romer, Agnes Wood, Grace Coolish, Johanna Hedval, Esther Meritt and Ocie Ainsworth.

Next meeting of the sewing group will be held at the home of Mrs. Ruth Bower, 551 Crocker avenue, Tuesday evening, March 25, at 8 p. m.

Friday evening a large delegation from Vista Grande Camp No. 6035, Royal Neighbors of America, attended a district meeting of the five Royal Neighbors camps in San Francisco and Daly City at the meeting hall of San Francisco camp. A large initiation and banquet were highlights of the evening. A number of Los Angeles members attended the affair.

Buick Leader Emphasizes Balance

The importance of balance in vibrationless operation, not only of engines, but also in many other vital elements of the car, is emphasized in a new phase of the manufacturing program of the Buick Motor division disclosed recently by Harlow H. Curtice, president.

As a result of developments along this line, the balancing of parts going into the manufacture of current models and the design of special machinery and equipment for balancing purposes, has become a major element both in manufacturing processes and design of the parts to be produced, Curtice said.

"Smooth as the watch on your wrist" is a phrase men in the engine plant apply to Buick engines. It is a statement of relative fact, tests having shown that in relation to weight, the big 165-horsepower Buick engine, held in production to vibration limits of less than ¼ cz. in., actually is comparable in balance to the finest wrist watches.

Dorothy Thompson To Speak In S. F.

Dorothy Thompson, who will speak in San Francisco on Wednesday night, March 26, at the Opera House at 8:30 p. m., under the auspices of Town Hall, on the subject "How Secure is Our Future?" rightly holds her place as one of the most distinguished women journalists of our time. After an obscure childhood as a Methodist minister's daughter near Buffalo and a period of social service work following graduation from Syracuse university, she suddenly decided to go to Europe. Courage, initiative, and the lucky break of happening to interview Terrence MacSwiney in Ireland two hours before his arrest started her on newspaper work.

Miss Thompson's column, "On the Record," in the New York Herald-Tribune, and in more than 190 other newspapers here and in foreign cities, reveals, as does all her writing, an amazing fund of accurate facts concerning diplomacy, economics, politics, and history. A believer in true democracy and an adherent to no party platform which conflicts with her own ideas of truth and right, she is a woman of integrity and unswerving honesty.

tion for seven days, June 21-28. The cost, deferred by the sponsors, is $17.50 a boy. At Sacramento they form parties, have elections, act as legislators, judges, and executives, and go through all the motions of the state government. When they leave they have an intimate knowledge, through practical activity, of all the details of State government.

Boys sent from this area in previous years are Dick Millet, Robert Capps, Charles Yonan, and Herb Poddig. They were chosen for their scholarship, leadership, sportsmanship, citizenship, and general personality. The high school faculty selects the boy or boys best fitted to represent Jefferson each year.

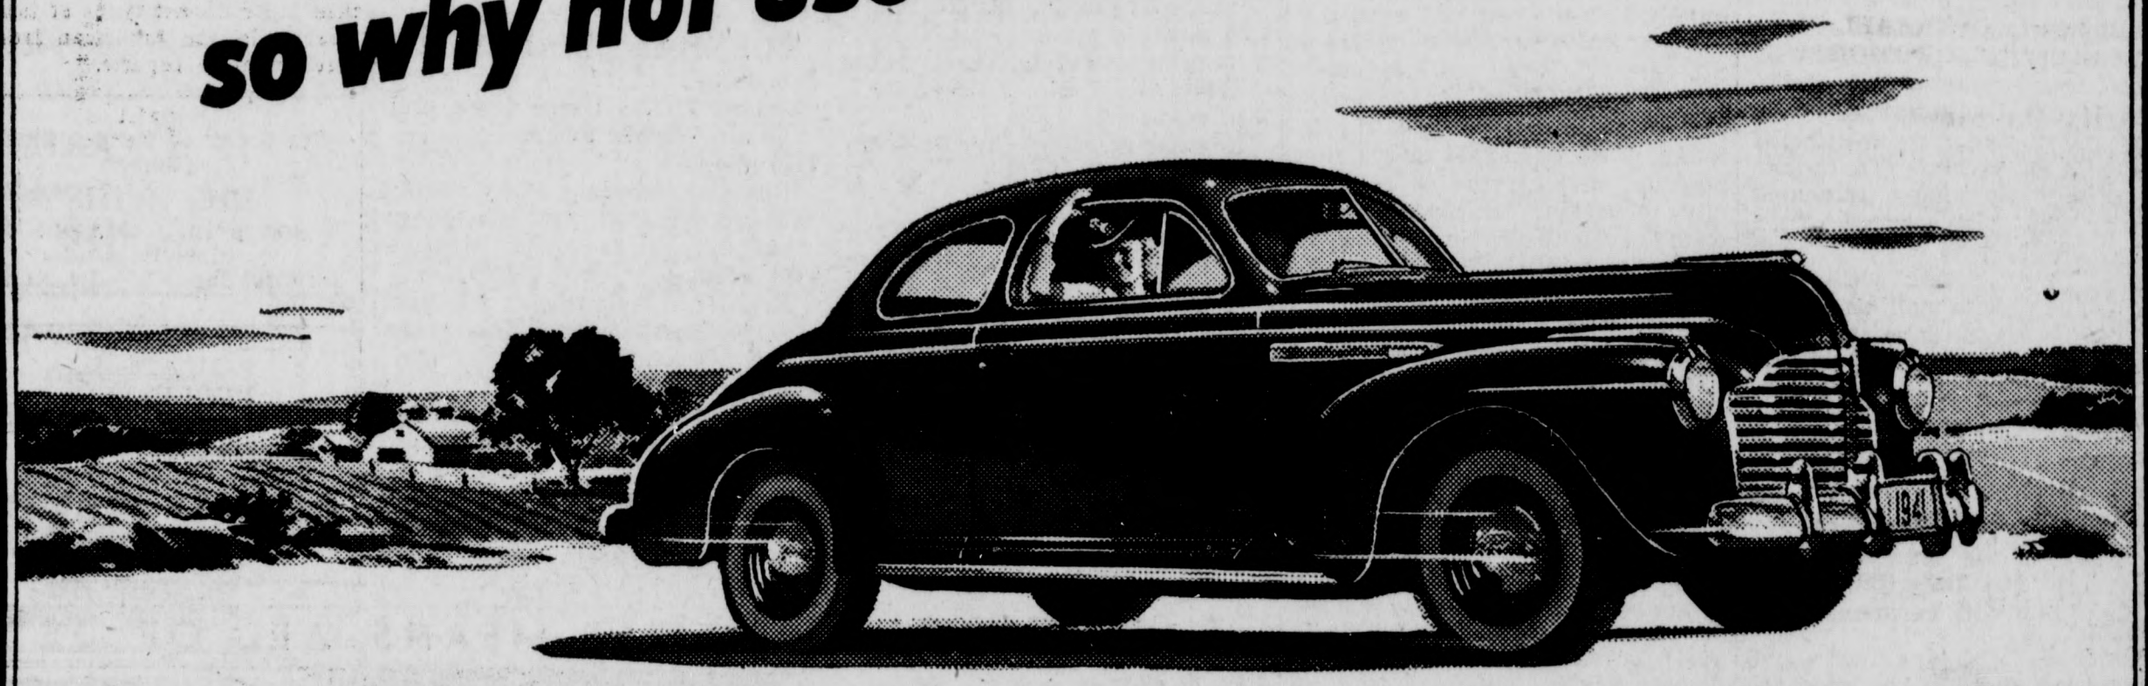
AIR'S FREE so why not use it?



GETTING right down to it, one reason why you get as much as 10% to 15% more miles per gallon from a 1941 FIREBALL Buick with Compound Carburetion is that this engine is supplied with more *air*.

For it is a mixture of gasoline *and air* that gives you power.

A single carburetor, no matter how many jets it has, can handle only so much air – which is nearly always too little for full-out, high-power performance.

But *two* carburetors that function *as needed*, as is the case in Compound Carburetion, can meet any fuel-supply need from low-speed to heavy-power use – and *always* provide a well-balanced mixture.

They can double the air supply as well as the gasoline feed – and that's something you can't do in any single-carburetor car.

So Compound Carburetion leads to big savings in fuel costs.

You get as much as 800 miles for the gas-cost of 700 in earlier Buicks of the same size.

It also provides a walloping big bank of reserve power, which means an up-and-at-'em lift and surge that's nothing short of thrilling to experience.

And you can have Compound Carburetion, you know, on *any* 1941 Buick – it's only a few dollars extra on the swell big SPECIAL pictured here, and standard equipment on all other models.

BUICK PRICES BEGIN AT $915 for the Business Coupe *delivered at Flint, Mich. White sidewall tires, state tax, optional equipment and accessories—extra. Prices subject to change without notice.*

BOYS' STATE

(Editor's Note: Following is a description of Boys' State written by Herb Poddig, who attended from Jefferson Union high school last year.)

"When I attended the 1940 session of Boys' State at Sacramento, I saw one of the most interesting spectacles that a fellow can witness. Eight hundred and more young men were combined in one group which partook in the running of a regular session of legislative progress.

"Never will I witness or experience again the great honor bestowed on me by the American Legion which sent me to Sacramento to be their delegate. (Posts 410 and 473.)

"Here at the State Fair Grounds, away from the hustle and bustle of the big city, young men experience their first step in becoming better citizens.

"Under capable supervision of advisors and counsellors we young men chose the most likely man to represent us as governor. Fortunately enough we conquored the high honor by getting a northern governor from George Washington high.

"It is indeed a great thing when we find ourselves mingled with all races and creeds. 'THE CREAM OF THE CROP" was the title given us, and truly you could not find a more sensible group of fellows to spend a week with.

"Education, self reliance, conduct, personality plus, are only a few things taught to the average Boys' Stater."

"Parity Payments"—

Approaching the topic of Federal Agricultural aid from the standpoint of fairness to all farmers, in particular the California orchardist, Congressman John Z. Anderson, of the Eighth Congressional district, recently addressed the House of Representatives. Stressing the point that the so-called "Parity Payments" do not include or consider many of the most important agricultural products, Anderson called for due and fair consideration of the California orchardists, who are now faced with a new additional woe —the elimination of their foreign markets.

Anderson is urging that equal recognition should be accorded every type of agricultural product.

No Double Standard

No double standards exist in the job-hunt chase!

That the young women of the San Francisco area possess an equal chance for employment while competing with men for jobs is revealed this week by the "18-to-30" Associates, a cooperative employment-finding organization for youth, according to Wein Watson, head of its membership committee.

"Rising sharply from a job-a-day ratio our recent tabulations show that during the past three weeks the associates have been placing two permanent positions daily with the average balanced between young men and women," said Watson.

While demand for work in technical trades through the national defense program has caused a drain on man-power, this factor, according to the assertions of the "18-to-30" Associates, has been off-set by the drafting of young men into army camps. As a result openings in varied clerical fields are being filled by young women, assert the youth organization officials.

Yes, Daly City's Growing, Here's Further Proof!

Daly City's getting bigger all the time!

That's the tale which U. S. housing figures, local building statistics and just plain observation have been telling month after month.

Now comes further evidence of this growth with an announcement from William H. McCarthy, postmaster, San Francisco. He has found it necessary to add a new postman to take care of the rapidly increasing amount of mail which must be delivered from the Daly City branch.

"There are so many new homes in Daly City now, we've just got to cut down on the size of our routes," local postal employees explained.

Orient's First Mission

Sancien island, scene of the establishment of the first Christian mission in the Orient, is the land in which St. Francis Xavier established a mission in spite of efforts to keep him and his band out of the Orient. And on this island he lies buried. In late August, 1552, he landed on the island, called Chang-shuen-shan, off the coast of Kwangtung, which served as a rendezvous for Europeans. Soon after his arrival Xavier was seized with a fever and died there.

South African Racket

Cape Providence, South Africa, is preparing drastic action against the money-making racket of "jackal breeders," it is stated in Capetown. It has been discovered that in parts of the province professional hunters, who destroy jackals for bounties have been capturing only the cubs, allowing adult animals to escape, and thus providing for the next season's "crop." It is suspected that in certain districts there are secret jackal breeding establishments, the owners of which make big profits by constantly turning in very young jackals. Last year the record number of 36,000 were destroyed at the standard rate of $2.50 an animal. In some districts $3.75 is paid.

Post Office Incomes

Estimated revenues of the United States post office department for the last fiscal year amounted to $745,955,075.24, the largest in history. The total exceeded by $17,321,023.88 the previous banner year of 1938.

A column of news and comment

Out of the mail bag: A Warning—Federal Security Administrator McNutt warned persons interested in vocational training for defense jobs to beware of unlicensed commercial schools "guaranteeing" jobs to persons who pay "stiff fees" to take their courses.

Persons who are interested in training should see the nearest office of the State employment service or write to the State vocational education department, McNutt said.

Schools which will capitalize on youth's ambition to find work in the vital National Defense program are pretty low. Any emergency situation seems to bring a crop of unscrupulous profiteers to light, however. Best way to combat such unethical activity is to spread the news of where legitimate and free training is to be had. Public schools and the NYA are places to inquire.

Well, f-hevans sake!—State Controller Harry B. Riley announced in Sacramento last week that California's financial condition is fast returning to normal. The State is continuing to spend less than it makes, Riley said. This is a wholesome tendency. It's high time we all—from government to individuals—began to live on what we make rather on what we imagine we ought to make.

TRAVEL TO MEXICO—"The pleasures of spectacular scenery, interesting customs and folkways, and a most cordial welcome to a land of old world interest await the motorist who goes touring now in Mexico," says a recent release from the California Automobile association. We don't doubt it but the nearest we ever got to sailing for Mexico was riding the ferry to Sausalito. Now, they've even taken the ferry service off.

You'd think the war in Europe, and London being bombed almost daily, would be enough news for the editors of English papers, but that is not the case. The Los Angeles bureau of the International News service reports that they get cables several times a week from London editors asking for a special feature on this movie actor or that actress.

THIS WEEK'S TRAFFIC QUOTE—"I drove from Stockton to Sacramento at 45 miles an hour just to see how lonesome I'd be—and the only thing that didn't pass me on the road was a load of hay!"—W. A. Huggins, State Traffic Coordinator.

ma Pedemonte, Gwendolyn Stegeman, Nilo Simonini, Gene Snow, Bianca Ratto, Shirley Rice and Henry Sernack.

Miss Robinson, advance typing instructor, will enter Frances Davis, Betty Sheridan, Gloria Tooth, and Karen Anderson, amateurs; Eugenia Filio and Barbara Foreman in the unlimiteds.

Competing for honors in Bookkeeping I, will be Charles May, Albert Ottoboni, Amy Vincent and Barbara Foreman. Barbara Wilmoth will be the only one entered, from Jefferson, in Bookkeeping II.

In business knowledge, Charles May, Barbara Wilmoth and Robert Snow will be the only entrants.

Miss A. Dorothy Smith, commercial instructor, is entering a group of students in both the typing and stenography divisions.

For the last two consecutive years Jefferson has won top honors in the Nation in the typing division.

Legion Registers

(Continued from Page 1)

if needed in the defense of the nation.

Daly City Post No. 410 of the American Legion is now in the process of registering its members and any other veterans of the World War. Under the direction of Americanism Chairman Peter Becker, the work of the local post is progressing rapidly. Becker emphasizes that the post wishes to register non-member veterans as well as members. Blanks may be procured from Becker, 824 Templeton avenue, phone DElaware 6251.

The registration blanks have 28 questions, but the age of the veteran is not asked. It is the opinion of Legion officials that age does not exclude anyone from participating in total defense.

Registration is also being carried out by Daly City Unit No. 410 of the American Legion Auxiliary. The ladies who fill out the blanks should return them to Mrs. Margaret Kenney, secretary, 1028 Noe street, San Francisco, before March 25.

ARTIST'S CONCEPTION

Paul Muni's masterful portrayal in "Hudson's Bay," the 20th Century-Fox adventure picture opening tomorrow at the Daly City theatre inspired this heroic figure by artist Harvey Dunn. Above you see his conception of Pierre Radisson, the renegade, traitor, rogue whom Muni portrays in the picture.

Ladies Home Club Announces Whist

Mrs. Lillian Landini, chairlady, and her assistants, Mrs. Annie Schumacher and Mrs. Angie Nava, will be in charge of the regular monthly whist party of the Ladies Home club, next Tuesday afternoon. The public is invited to attend. Playing begins at 2 p. m. at the club house on Werner avenue.

A cash first prize and many other attractive awards will be featured. Following the whist, refreshments will be served.

Benefit Whist Set For Friday

Plans have been announced for a big whist party, Friday, to benefit Our Lady of Perpetual Help church. Ladies of the parish whose names begin with E, F and G will serve as a committee to assure the success of the party.

Playing will begin at 8:30 p. m. at Masonic hall. In addition to the cash first prize, many other attractive awards will be made.

Hold Final Rites For V. Preston

Burns incurred two months ago while he was lighting a bonfire caused the death of Vivian Preston, of Daly City, Saturday. He was sixty years old.

Preston, a film booker for Warner Brothers studios, had been a resident of Daly City for two years. He lived at 2139 Junipero Serra boulevard.

Surviving him are his widow, Gertrude Preston, and a daughter, Mrs. Doreene Riccetti. Services were held yesterday from a San Francisco mortuary. Interment was at Cypress Lawn Memorial park.

not been entirely favorable, however.

The first day they were put up, according to Ed Ford of the Daly City Police department, they were subject to pranks by boys. Some of the signs were turned sideways, so that they were practically invisible to oncoming motorists and thus a danger. Also, says Ford, they were used as targets for missles.

"These signs are for the safety of the children of Daly City," observed Ford, "and anyone seeing them molested should not hesitate to report the act to the police."

DE SOTO NEWS

Cars Must Breathe Dust-Free Air

Automobiles must breathe, even as human beings do. And, like humans, they are subject to "respiratory" ills that result from the inhaling of dust and grit-laden air, according to James E. Donahue, Daly City De Soto-Plymouth dealer.

"Respiratory ills, as far as automobiles are concerned," said Donahue, "include scored and scratched cylinder walls, bearings and other moving parts. Even the tiniest particles of dust, dirt and grit are abrasives, capable of biting and digging into the hardest steel.

"To protect engine parts from harmful dust and dirt, De Soto has, in effect, equipped all its 1941 models with a device which is comparable to the mask filter which humans wear when dust storms prevail," Donahue pointed out.

"The device, standard on De Soto this year, is a filter known as the 'oil bath cleaner.' It literally washes dirt from the air which it sends thoroughly cleansed to the carburetor," concluded Donahue.

Dealer Explains Chrysler's Part In Nat'l. Defense

Thirty-ton tanks that "ride like baby buggies" and take right angle corners at fifty miles an hour without overturning will shortly be rolling off the production line at the Chrysler Corporation's new plant in Michigan.

This was one of the interesting facts revealed by David A. Wallace, president of the Chrysler Sales Division of the Chrysler Corporation, at a meeting attended by A. L. Timossi, Chrysler-Plymouth dealer here, held at the Palace hotel in San Francisco. Wallace was in San Francisco for a conference with Timossi and other dealers under the distributorship of James W. McAlister, Northern California distributor.

"The part the automobile industries are taking in the re-armament program is not generally known to the public," declared Wallace. "Actually, the progress that has been made along these lines is truly amazing. Under the guidance of the National Defense committee, each manufacturer has been asked to specialize in one certain job. And after all, that is the only way to make real progress in this gigantic defense effort."

Wallace revealed that his company at the present time is engaged in many defense activities.

"In spite of all these activities and efforts," continued Timossi, "the sale of automobiles is up, and is expected to remain that way."

Timossi revealed that sales of 1940 Chryslers showed a national increase of 50 per cent over those of the 1939 model.

"Plowshares no longer can rudely be hammered into swords," said Timossi, "because modern warfare requires amazingly accurate machine work in the production of weapons. These precision methods are responsible for the fact that we are able to engineer a hitherto unknown performance into these bulky thirty-ton tanks, giving them a smoothness of performance and maneuverability impossible to achieve under less accurate methods."

City-County Co-operation

Alec Templeton Due In S. F. Mar. 27

Alec Templeton, the famous blind pianist who brought the beauty of music and the smile of good humor to countless millions through his radio and concert appearances is due in San Francisco next week for a single concert Thursday night, March 27, at the War Memorial opera house.

Unlike other concert artists, Templeton is regarded universally as a "one man show." His program is a mixture of the classics presented with faultless artistry that has rated him as one of the really great pianists of the day, and a varied array of improvisations in which good humor and genuine fun are the fundamentals.

Some of the numbers that Templeton will offer are of his own composition.

Tickets for his San Francisco concert are now on sale at Sherman Clay and company.

Book Wear and Tear

V. J. McHenry, who annually supervises the renewing of the 3,000 library books at the University of California, reports that it is always the first 20 pages of a book that suffer the greatest damage due to the efforts of students to concentrate on them. The middle and the end rarely ever have to be renewed.

Arthur Rubinstein To Play March 25

Arthur Rubinstein, dynamic Polish pianist, will open the Spring Series of concerts of the San Francisco Opera association, Tuesday evening, March 25 when he gives a single concert in the War Memorial opera house.

Rubinstein has been an imposing figure on the American concert stage since 1906 when he came here from Europe on his first tour. He has been globe-trotting since he was 8 years old when he was taken to Berlin to perform for the great Joseph Joachim. It was as a result of this that Rubinstein was sent to study under three of the greatest teachers in Germany. He made his debut at 11 and was only 16 years old when he came to this country on tour. There is no music center inthe world, however, in which he has not appeared.

His program will include selections by Chopin, Villa-Lobos, Granados, Albaniz and de Falla.

Other attractions in the Spring series of the opera association are: Mischa Elman, Sunday afternoon, March 30; Nino Martini, Tuesday evening, April 1; Josef Hofmann, Tuesday evening, April 22; Helen Traubel, Tuesday evening, April 29; John Charles Thomas, Friday evening, May 2.

Tickets for all attractions are now on sale at Sherman Clay and company.

At Perpetual Help School

WIENER ROAST

At noon tomorrow, all the children at the school will gather around long picnic benches set up in the yard, and participate in an old-fashioned wiener roast. A slight charge will be made for the refreshments.

In charge of the affair will be all members of the Mothers' club of Our Lady of Perpetual Help school. There will be cakes donated by the mothers.

At 1 p. m., the club has invited all the mothers to attend a luncheon that will be served in the yard. A nominal charge will be made for the luncheon.

The mothers are working very hard to make this affair a success, and they promise plenty to eat for all who attend.

SIXTH GRADE

Last week the sixth graders wrote essays on "Why My Mother Is My Best Friend." After carefully studying the childrens' work, the following were chosen as the two best.

"I think my mother is my best friend because, whenever I am sick it is my mother who guides me, takes care of me and also comforts me. My other friends would bring me presents and send me flowers and cards, but the most expensive gift would not be as great a comfort that my mother is to me. She has deprived herself of things just for me. Often people think of mothers as just another person, but to me my mother is the dearest person on earth. No one can ever take her place. That's what I think of my mother."

—by Evelyn Muller

"I like my mother best because I can always talk her into things when I can't talk my pop into things. Sometimes when I ask for something she gives it to me if it's good for me. She sews my pants when they get a rip. She keeps them clean. She sends me to a Catholic school to help me in my education so that I will know more about the real God. When I don't want any cabbage and vegetables she makes me eat it so that I will not be skinny like a pencil. When I get a cold she keeps me warm or otherwise I might get pneumonia and you know what that means. She goes without something to buy things for me. When Christmas comes along and I don't have enough money to get something for my aunts she gives me enough money."

Troop 2 Girl Scouts Enjoy Skating Party

Fun on the silver blades was the order for 18 girl scouts of Troop No. 2, Saturday morning, at the Forty-eighth avenue rink in San Francisco.

Accompanying the girls on their ice-skating party were Mrs. Lyla Eldrup, troop leader, 146 Woodrow street, and her assistant, Miss Betty Tallmadge.

BROWNIE SCOUT PACK SEES FLYING UP CEREMONY

There are Brownies and Brownies, but a Brownie with wings is quite an unusual little girl, Mrs. P. J. Becker, leader of Brownie Scout Pack, explained today.

Brownies who get wings must have served from nine months to a year in a Brownie pack. This record has been achieved by Theresa Madon, who was the principal in a flying up ceremony held at the last meeting of Mrs. Becker's Brownie Scout Pack, Friday.

Girl Scout Troop 1 was present at the meeting at No. 5 firehouse, to receive Theresa.

Little Patrick Byrnes Out Of Hospital

After hovering between life and death for several weeks in St. Mary's hospital, little Patrick Byrnes was allowed to return home, last week. Patrick was struck by a car while riding on his scooter at the Top of the Hill, January 14.

Dr. William C. Lynch, attending physician, reported today it would be several months before Patrick would again be on his feet.

Patrick, son of Mr. and Mrs. P. Byrnes, 129 Hillcrest drive, is a third grade student at Our Lady of Perpetual Help school.

Beverly Sundermann Celebrates Birthday

"Beverly's second birthday," were the words inscribed on a huge birthday cake set before little Beverly Sundermann, last Tuesday afternoon.

Special treat of the day was a party given in her honor by her parents, Mr. and Mrs. H. Sundermann jr., 1216 Brunswick street. Eight of her little friends helped celebrate the occasion.

Luncheon was served from a table decorated in pink and blue. Each guest was presented with little balloons and a colored hat as favors. After refreshments, little Beverly opened her many gifts.

Those attending the party were: Donna and Irene Mann, Ronnie Davis, Lilianne Boynton, Daly City; Jimmy Costello, Tommy Conneally, Billy Corkey, and Dennis Sullivan, San Francisco. The mothers of the little guests also attended.

RECREATION LEADERS BEGIN NEW COURSES

Courses in Public speaking and Child Psychology, under the auspices of the Daly City WPA Recreation department, are now being taught at the Daly City Theatre hall.

Planned to benefit the recreation leaders in this section of San Mateo county, the courses are free to anyone interested.

Instruction is slated for every Tuesday morning from 9 a. m. to noon. Teaching Public Speaking is Al Boynton, and conducting the Child Psychology class is WPA Recreation Director Bruce Boynton.

FOURTH LECTURE TONIGHT AT HOLY ANGELS CHURCH

The fourth of Father Casimir di Cristina's series of lectures will be given tonight at Holy Angels church, Colma. He has been lecturing on the Pacific Coast for the past ten years.

The order of the mission services are mass at 7:30 a. m., followed by a short sermon; rosary at 7:30 p. m. Father Casimir lectures in English.

The speaker was born in San Francisco of Italian parents and educated at Holy Cross. He preached in the mid-West, and southern states prior to coming to the Pacific Coast.

Both Catholics and non-Catholics are cordially invited to the mission services, according to Father James Sorasio.

KINDERGARTEN

Last week the kindergarten boys and girls started to build a miniature farm. The girls have been working on little clay animals, while the boys have been hammering and sawing boxes and lathes to make fences and barns.

This activity work teaches the children how to place and construct, using their own ideas, how to be skillful with their hands, and aids greatly in developing muscle coordination, stated their teacher.

Second and Low Third

The second and low third grades' library had its official opening last Monday. Acting as librarians were Lorraine Ver Linden and Diana Picchi.

Over thirty books were furnished for the library by various members of the class. Each book was carefully and neatly covered by the committee, Betty Welp, Joanne Matthew and Nacy Packwood. Many of the covers were attractively decorated by Lois Parmenter, Earl Troche and Richard Worth.

Juanita Crane and Marjorie Mattes were in charge of putting the titles on the covers, while the rest of the class made attractive pictures and posters for the wall.

During the time the library was open all the pupils remembered to observe the rules which were stressed in class discussion the preceding week.

SIXTH GRADE

Inspired by stories of ancient Egypt, the sixth grade pupils have decided to have a "Picture-Tell Lesson."

Each pupil will give an oral description and their idea as to the meaning of his sketched picture. Information for the pupils' work was obtained from their reference material.

Ernest Domecus and James Aveggio have been selected as the chairmen for the construction committee.

SEVENTH AND EIGHTH

Students of the seventh and eighth grades recently participated in a Conservation Week program. Helen Capps told how land and soil was wasted, and valuable forests destroyed by reckless lumbering methods and fires.

Patsy Hatfield explained how our government has established laws in regard to the Conservation movement.

In the seventh grade, students gave instructive talks on how boys and girls can do their share to save wild life instead of destroying it.

Both the classes learned that once the natural resources and wild life are gone they can never be replaced.

A TRIP

On last Friday afternoon, students of the eighth grade, accompanied by their teacher, chartered a special bus and motored to the Palace of the Legion of Honor. Here are housed, for a limited time, the Thorne Miniature collection of rooms, the same collection previously exhibited at Treasure Island.

Preceding the trip, the children learned many interesting facts about this unusual collection of miniature period and modern furniture.

At Crocker School

In keeping with the observance of their seventh annual "Conservation Week," the pupils of Crocker enjoyed many activities.

Field trips were taken to better acquaint the children with plant and animal life.

Reforestry projects were worked on, essays written, and many varied aspects of conservation studied.

HANDBALL

Two "singles" handball tournaments are being held by the boys and girls of Crocker school. The tournaments were started two weeks ago, and will continue for another week.

The girls' contest is in the semi-final stage. Winner between Lois Rich and Beverly Ainsworth will play Irene Anderson for the girls championship.

ROOM 2

Pupils of Room 2 enjoyed a motion picture, last week, which showed various views of St. John, an old Loyalist city.

Since they are studying about the thirteen colonies and the early years of the American Revolution, they were greatly interested in the picture.

ROOM 4

"The Trail of the Padres," was the moving picture shown to the pupils of Room 4, last Wednesday. It showed many of the scenic spots in and near Monterey.

During class discussion, the children told of having visited many of the places shown in the film.

At Woodrow Wilson Elementary School

Plant life, art work, and animal life were organized in an attractive display in the halls of Woodrow Wilson elementary school last week. This display impressed upon the minds of students the importance of Conservation Week.

The display was the outcome of classroom activities in social science, nature study and art. Room 8 planned and artistically arranged the plant exhibit. The amphibian on display was contributed through the nature study class of Room 4. The departmental art classes worked hard on the many attractive posters.

STUDENT REFEREE

A "student referee" under teacher supervision is being inaugurated for the boys' physical education activities. These pupils are chosen on their merits of good sportsmanship, fair play, and citizenship.

In charge of different playing groups will be four referees and their substitutes. The following students are the referees in charge: Room 4, Hugh Llewelyn; substitutes Dalbert Wedel and Joe Mitchell; Room 5, George Fair; substitutes, Ed Gama and John Melani; Room 8, Tom Thimis; substitutes, Louis Bacigalupi and Glean Wilkes; Room 9, Gerald Gigli; substitutes, Russell Laidlaw and Keith Claussen.

EIGHTH GRADE

Last week, the students of the eighth grade visited the Legion of Honor in Lincoln park. The excursion was taken to view the famous Thorne Miniature rooms.

District PTA Meet Set For Friday

Seventeenth district, C. C. P. T., will hold its regular meeting at Sequoia high school, Redwood City, Friday. This is the first time a district meeting has been held in Redwood City. Mrs. M. M. Elder, director of home service, is in charge of the program.

Mrs. George Bruns will preside at the business session when a nominating committee will be appointed to select candidates for office for next year. Miss Catherine Bauer of the United States Federal Housing bureau will be the speaker and will talk on housing conditions.

The school orchestra directed by Max Gelber, will play several selections in the morning session and in the afternoon during the fashion show, the choral group under the leadership of Otis H. Carrington, will entertain.

Immediately after the fashion show, a colored film produced by students of the school and their instructor, Ronald Anderson, will be shown. The film is called "The Story of Sequoia."

Luncheon will be served at 12:30 p. m. at the First Methodist church, directly across the street from the school. Reservations for luncheon must be made with Mrs. E. E. Fall, 700 Occidental, San Mateo, today.

North End Leads—

Of the total population of 111,782, tabulated in the 1940 census for San Mateo county, the first township, comprising the area from the north county line south to Millbrae has the largest population, a total of 30,981. This township takes in Daly City, Bayshore, Brisbane, South San Francisco, San Bruno and Lomita Park.

The third township, comprising Redwood City, and all the remainder of the county south, is second in population with 29,816, just ahead of the second township with 28,437.

Studebaker Reports Excellent Month

The Studebaker corporation this week reported domestic retail deliveries of passenger cars and trucks in February were the largest for the month in the history of the company. The factory's February sales to dealers were the largest since 1928.

Retail deliveries to customers in the United States last month numbered 8,306 units and for the first two months of the year totalled 16,662. In February, 1940, retail deliveries amounted to 7,490 units and in the first two months of last year were 13,560.

Smart for Six

Spring showers may come and go but this six-year-old won't mind because she is snugly equipped against wet weather. Her smart little military cape of blue with red bindings and off-the-face hat are both of silk treated with koroseal, to make them waterproof, spotproof and mildewproof. Both cape and bonnet come in a range of sizes.

LOCALS

Mr. and Mrs. Ralph Gayan, Daly City, are the proud parents of a girl born, March 16, at San Mateo.

Dorothy P. Clark, Daly City, and Douglas J. Caine, Bay Shore City, applied for a marriage license last week in San Francisco.

Most Spanish Spot

The most Spanish spot under the American flag is the romantic city of Ponce, on the southern coast of the United States territory of Puerto Rico. Although Ponce was the first city to be entered by the Americans who took Puerto Rico in 1898, it has been the last to give up the Latin heritage it derived from its Conquistadores. English is spoken widely in Puerto Rico, but Spanish is the prevailing language in this stronghold of old Castille.

Glass Blowing Art

In Mexico live many families of glass blowers whose ancestors were taught this old Venetian art by the Spanish conquistadores. Some of these families live far in the country and the glass, after being blown by the men of the family, is brought to the cities by burro train.

Darlene Eichenger Celebrates Birthday

Little Darlene Eichenger, 106 Peoria street, was feted at a birthday party by her parents, Mr. and Mrs. Chuck Eichenger, Thursday. Darlene was two years old.

Moving pictures were a special treat for Darlene and her five little friends. After the pictures delicious refreshments were served.

Those attending the party were Leonard, Florence and Regnar Nordgren, Mary Lou Montano and Lois Olsen.

Active Participant—

San Mateo county is an active participant in the better housing program sponsored by the federal housing administration, through which 18,472 local families already have invested $52,955,779 in building, buying and modernizing homes.

For improving and modernizing existing dwellings and other buildings, FHA now is insuring loans for as much as $2500. The proceeds from such loans may be used to finance structural alterations, the addition of rooms and porches, painting, and reroofing, the purchase and installation of modern fixtures, and for practically all repairs and improvements which become a permanent part of the property.

Extension Division To Open 6 Courses

In response to widespread demands for training in public speaking, the University of California extension division will open six courses in the field at the San Francisco extension center, 540 Powell street, this month.

The classes will be given by Mrs. Carrol Eberts Veazie and Mrs. Guy Stevens Farrington, who have trained more than 3,000 students in their extension division classes in the past.

Mrs. Veazie will be in charge of the classes in improving the speaking voice, opening at 2:30 p. m. March 20, and in the fundamentals of speaking and reading, which begins at 6:30 p. m., March 25. Mrs. Farrington's courses are in practical speechmaking, opening at 7 p. m. and speaking for the radio beginning at 8:30 p. m. March 20 and advance speech, at 7 p. m. and improving the speaking voice at 8:30 p. m., March 31. First meetings of all the classes are open to the public without charge.

Perishable Baking Powder

Baking powder is a somewhat perishable product. If overexposed to the air moisture is absorbed. It should be kept in a tightly closed can and in a cool, dry place.

ANNOUNCE ENGAGEMENT OF POPULAR COLMA GIRL AT SUNDAY TEA

MISS PRICE

Miss Genevieve Price Honored With Lovely Event At Aunt's Home

A wedding ring, white ribbon and three words cleverly told each guest at a Sunday tea honoring Miss Genevieve Price why the occasion was a romantic one. The three words were "Genevieve and Lloyd." Of course, the message meant that attractive Miss Genevieve Price will soon become the bride of Lloyd Stone. The announcement party was held at the home of Miss Price's aunt, Mrs. Lloyd Woltzen, 50 Urbano drive, San Francisco.

Tea was served from a beautifully appointed table, which featured a centerpiece of dozens of gardenias nestled about a large gold wedding ring. Serving were Miss Eleanor Price and Miss Shirley Woltzen.

The guest of honor wore a striking dress suit of light blue, accented by a corsage of camelias, baby roses and forget-me-nots, sent by her fiance.

Attending were Miss Margaret Barrick, South San Francisco; Miss Shirley Yates, San Bruno; Miss Anne Cameron, Miss Lorraine Colliver, Lomita Park; Mrs. R. L. Foster and daughter Lois, Mrs. Albert Boynton, Miss Muriel Mooney, Miss Lillian Cavagnaro, Miss June Volkman, Miss Lorraine Whittemore, Daly City; Mrs. George Rice, Redwood City; Mrs. James Coward, Miss Shirley Banks, Miss Alice Jorgensen, Miss Maxine Plagemann, San Francisco; Miss Elizabeth Newton, Miss Muriel Hollingsworth, Mrs. C. E. Lowe, and Mrs. J. H. Price, Lawndale. Mrs. Lowe is Miss Price's grandmother; Mrs. Price, her mother.

Local Leaders Discuss Formation Of Classes

Formation of trade classes for adults and boys and girls over high school age was discussed at a meeting of public school superintendents at the Palace hotel in San Francisco, Monday, according to James Ferguson, principal of Jefferson Union high school.

It was decided that the Federal and State departments of education should collaborate on a program which the schools could participate in. The purpose of the proposed trade classes is to help in national defense, and also as a useful peace-time activity.

Apple Blossom Time

Mrs. Sadie Tuxford, Redwood City, Calif., would like to have someone analyze the "secret urges" which have pushed her two-year-old apple tree to blossom five times within a year and to bear four crops of fruit.

Banking Functions Change

Between 1929 and 1939, loans of all American banks decreased nearly one-half, from 42 billion dollars to 22 billions, while investments of banks have nearly doubled from 15 billion dollars to 28 billions, government statistics reveal.

"UNREAL REALITIES" IN THIS AMAZING AMERICA

VISITOR FROM THE SKY→

Centuries ago a monstrous meteor smashed into the desert with a crash that in one second displaced as much earth as was dug from the Panama Canal. Meteor Crater, near *Canyon Diablo, Arizona,* is the result.

HOME GROWN AFRICAN LIONS ←

At *El Monte, California,* there's a farm where the only livestock raised is lions. Far from their native Africa these wild beasts are born and raised to earn a living for themselves in very un-lionlike fashion—as high-salaried movie stars!

41 PASSENGER TOURING CAR →

Greyhound's streamlined Super-Coaches are often called America's "out-of-town" cars. They are big, luxurious 41-passenger limousines, complete with chauffeurs. Air-conditioning insures comfort summer and winter.

BATTLE ABOVE THE CLOUDS ←

The most famous "battle above the clouds" was fought on land—almost 50 years before airplanes were invented. The summit of Lookout Mountain, near *Chattanooga, Tennessee,* where rival armies battled during the Civil War, can today be reached without a struggle, without even an effort, on the world's steepest incline railway.

Robert Grimes Wins Public Speaking Contest

The speaking ability of Robert Grimes, junior at Jefferson Union high school, won him first place in the local forensic competition held at the high school, Monday. Grimes will now participate in a county-wide speaking competition at one of the county schools some time in April. If he wins then he will enter the state-wide competition. The contest is sponsored by the California Bankers association.

His subject was "Can Youth meet the Challenge of Foreign Isms?" First alternate will be Dorothy Kampa, and honorable mention was made of George Wallace.

Hillcrest Druids Have Busy Schedule

Several important dates for the near future were discussed at the regular meeting of Hillcrest Circle No. 143, U. A. O. D., last Monday.

Arrangements have been completed for the degree team and a large delegation of Hillcrest circle members to accompany Grand Arch Druidess Mrs. Madeleine Fellows to San Carlos, Sunday, March 23. There she will institute a new circle. The local degree team will conduct the initiation and the members will assist with the work of launching the new circle.

On April 15 Hillcrest circle will celebrate its twelfth birthday. Plans have been made to observe the occasion with a dinner party at a popular San Francisco night club. General committee on arrangements includes Mrs. Agnes Prescott, Mrs. Eleanor Wilson and Mrs. Catherine Foreman.

Co-chairmen for Hillcrest circle's regular monthly whist, Monday evening, March 24, are Mrs. Violet Hauptli and Miss Lillian Prescott. The public is cordially invited to attend. Playing begins promptly at 8:30 p. m. at Masonic hall. Many attractive prizes have been secured for the event.

At last Monday's meeting, it was announced that the April whist will be held earlier in the month than usual, as the fourth Monday, April 28, has been set aside for the official visit of Grand Arch Druidess Mrs. Madeleine Fellows. The whist will be held, Monday evening, April 14, 8:30 p. m., at Masonic hall. Co-chairmen will be Mrs. Victorine Lombard and Mrs. Hazel Keagle. A short business session, opening at 7 p. m., will preceed the public whist.

Eagles All Set For Big Party

"Yes, sir, it's going to be a great party."

This is the unanimous opinion of the committee working on the big St. Patrick's party to be staged for members of Colma Vista Grande Aerie, F. O. E., tomorrow night at Eagles hall.

"How could a party which included corned beef, cabbage, boiled potatoes, beer, Irish music by Meritt's "Hot Harmony Busters," and initiatory work directed by the drill team of San Francisco Aerie No. 5, be anything but a success?" asked Dale A. Hovey, general chairman of arrangements.

Guest of honor at the party tomorrow evening will be Fred Collins, past president of the local aerie.

Assisting with details of the party have been John Craig and Mel Battye on arrangements; Bert Meritt, in charge of entertainment; Fred Hanel, president, working with all committees.

Bill Wright will serve the traditional Irish dish of corned beef and cabbage.

A large class of candidates will be initiated at the St. Patrick's night meeting.

Mocking Bird-Dog?

Residents of Visalia, Calif., were interested in what seemed to be the barking of a small dog night after night, although the dog itself was never seen. Investigation developed that in reality it was a mocking bird that apparently had its inspiration for a new vocal routine from a small dog in the neighborhood.

Legion Auxiliary Board Meets

When the executive board of Daly City Unit No. 410, American Legion auxiliary, meets this evening, plans will be completed for the annual birthday dinner of the post and unit. A joint affair, to be held Saturday evening, the occasion will honor past presidents and past commanders.

Mrs. Kathleen Matzek, Americanism chairman, announced the high school winners in the recent Americanism essay contest. Barbara Wilmoth took first place, while Roy DeVincenzi came in second. Mrs. Matzek, accompanied by Mrs. Vivian Pahlka, president, made the awards, last Wednesday. National Defense chairman, Mrs. Alice Reilly, announced that prizes for grammar and high school winners in the annual National Defense essay contest will be made today.

Members from Daly City unit who attended the meeting of the twenty-sixth district, Friday evening, in South San Francisco, included: Mrs. Vivian Pahlka, Mrs. Mary Crane, Mrs. Alice Reilly, Mrs. Margaret Kenney, Mrs. Hilda Prziborowski, Mrs. Emily Mon Santo, Mrs. Marce Trier.

Mrs. Mon Santo was initiated into Daly City unit at the joint ceremony conducted by the ritualistic team of twenty-sixth district, Friday evening.

Daly City Unit No. 410 is participating in the registration for the Voluntary Emergency service for home defense activities. Further details of this program may be found on Page 1 of this week's Record.

Green And Army Life

part (preliminary rookie drill) behind me. My bunch are now turned to duty as regular soldiers and I've been assigned to the machine-gun squad. I'm certainly glad to be on the operating end rather than the receiving end of one of those things.

Of the bunch who left Daly City with me only one, Jerry Harper, is in my regiment. He's in Company "B," however, and I'm in "G" but I manage to see him quite often. Stewart Steele is across the Fort in the anti-tank section of the 53rd Infantry and Al Scott is in Los Angeles at Fort MacArthur. Howard Capps, of the Winchester street Capps, was drafted last week from Richmond and has been sent to Camp Callan in San Diego, a coast artillery battalion. These are the only Daly City yard-birds I have knowledge of.

My company, "G," is an interesting one. I have in my barracks that fellow Scott, whose dog "Laddie" created such a furore lately. "Laddie" is buried at the head of the Company street, and frankly, Al, I think it was the food that caused his demise. Everybody in the United States seems to have given Scott a dog to replace "Laddie" and we have too many as a result. His favorite, however, is a little airedale presented to him by Deanna Durbin.

I want you to know that I appreciate the policy of The Record in giving a free subscription to each draftee. I know that I can speak for the others as well as myself when I say we're all glad to keep up with the goings on in Daly City.

Thanks, again, and I'll see you again in 10 months and 20 days. I can hardly wait.

As ever,
Paul Green.

Matoaka Council To Honor Leader

Members of Matoaka council will meet today at the Tepee of Pocahontas council, 240 Golden Gate avenue, to honor Great Pocahontas Helen Saltzen, who makes her official visit there today.

Next Wednesday, members of the council will make a trip through Swift and company plant in South San Francisco at 10:30 a. m. The group will leave Geneva and Mission streets at 10 a. m. Lunch is to be served at the end of the tour through the plant. For reservations, those interested are asked to contact Mrs. Olive Hoover, ELkridge 1186.

Matoaka's regular business meeting will take place next Wednesday at 110 Page street. After business is concluded they plan to have a measuring party. All members and friends are cordially invited.

The dramatic club of Matoaka Council, Degree of Pocahontas, paid a call to Miantonomah Tribe, Improved Order of Red Men at 240 Golden Gate avenue, Tuesday evening. They presented a comedy, "Flower Lovers' Committee Meeting" which was greeted with much applause and laughter. Hazel Hanguard's speech in praise of "Beauty" and Sophie Moeller's portrayal of a skeptical critic were especially well received.

Florida's Edible Fish

Of the more than 300,000,000 pounds of fish caught in Florida waters annually, little more than one-third are of the edible variety, according to R. L. Dowling, state supervisor of conservation. The non-food fish, mostly menhaden and sharks, are used in the manufacture of fertilizer, oils and novelties, Dowling explained.

The governor of Alaska is appointed by the President for a term of four years.

Daly City Ambulance Aids Victims Of Three-Car Crash

Three cars collided on the Skyline boulevard at 9:15 p. m., Sunday, injuring eight San Francisco people, two men and six women. Seven of them were taken to Villa hospital by the Daly City Ambulance service. One was taken to St. Mary's hospital.

The injured were Phyllis Marlin, Louise Hagerman, Claudia Danato, Richard Feroni, Alec Ziegler, Ellen Rosaia, Mary Rosaia, and an unidentified man.

Get Reforestration Program Under Way

The spring reforestation program for California began Monday with the planting of 1,314,000 pine transplants in national forests of the Sierra Nevada and Cascade Range.

U. S. Forest Service officials said that this number of trees is sufficient to reforest 2465 acres of mountain slopes denuded by fire and indiscriminate logging methods practiced on some private lands prior to organization for public ownership.

Seven national forests will share distribution of the Jeffrey and yellow pine transplants grown from selected seeds at the Durbin Nursery near Susanville.

Planting work is being carried out by Civilian Conservation Corps enrollees under the technical direction of federal planting inspectors, forest rangers and CCC camp superintendents.

Aviation Motor Progress

While it took 15 years to develop the airplane motor from 200 horsepower to 400 horsepower, aviation motors of 3,000 horsepower may be possible within a few years as a result of the rapid improvement of steels, F. C. Crawford, president of Thompson Products, Inc., of Cleveland, predicts.

DOG BITES DALY CITY GIRL

Despite the extension of the San Mateo rabies quarantine, which forbids dog-owners to allow their pets to run free, Margaret Mittel, 18, 670 Hanover, Daly City, was bitten on the left leg at Thornton Beach, Sunday.

She was treated at Junipero Serra hospital.

Prosperity for Idea

The depression-born business of shooting new holes in the steel casing of abandoned or failing oil wells, at a different level, to bring in shut-off oil netted one Los Angeles company a net of $450,000 last year on a gross income of $3,000,000, officials report.

Rush Accident Victim To Villa Hospital

Daly City's Villa hospital gave emergency treatment to Marie Ciucci of San Francisco last week after the car in which she was riding jumped a bank on the county jail road. She suffered a broken collarbone.

The accident happened when the driver of the car was momentarily blinded by the sun.

End of Gypsy Trail

Gypsy caravans are a thing of the past in Bohemia and Moravia, now part of Germany. Every gypsy must register a permanent residence with the police authorities. Failure to do so means internment in a labor camp.
